Rubberwood Panel

AB grade · Invisible finger-joint

The most versatile edge-glued panel in the range: light, even colour, good stability, competitive price. Made to your dimensions, from 20 to 50 mm thick and up to 4.5 m long.

MATERIAL	Solid rubberwood	AVAILABLE SIZES
		THICKNESSES20 · 25 · 30 · 38 · 40 mm Up to 50 mm on request
KEY FEATURES	AB grade · Invisible finger-joint · D4 glue · Sanded, 180 grit	LENGTHS2400 · 2800 · 3100 · 4200 mm Up to 4500 mm
		WIDTHS650 mm Up to 1100 mm, made to measure
OPTIONS	Individual shrink wrap · 4 mm chamfer	APPLICATIONS • Worktops • Shelves and shelving • Stair treads • Shopfitting and furniture

Other dimensions and special formats on request.

Acacia Panel

ABCD grade · Natural or teak oil

Darker and harder than rubberwood, acacia brings character: lively grain from honey to chocolate brown, with knots and contrast fully embraced. Supplied pre-oiled, ready to install.

MATERIAL	Solid acacia
KEY FEATURES	ABCD grade · Knots and strong contrast · Invisible finger-joint · D4 glue · Sanded, 180 grit
FINISHES	Natural oil · Teak oil · Varnished
OPTIONS	Individual shrink wrap · 4 mm chamfer

THICKNESSES	20 · 25 · 30 · 38 · 40 mm Up to 50 mm on request
LENGTHS	2400 · 2800 · 3100 · 4200 mm Up to 4500 mm
WIDTHS	650 mm Up to 1100 mm, made to measure

- APPLICATIONS
- Worktops
 - Table tops and counters
 - Shelving
 - Furniture and shopfitting

Other dimensions and special formats on request.

Natural Vertical Bamboo Panel

3- or 5-ply · Natural tone

Bamboo in its original pale straw tone. Fine strips pressed on edge for a straight, regular grain, in 3 or 5 cross-laminated plies for stability.

MATERIAL	Solid vertical bamboo	AVAILABLE SIZES	
		THICKNESSES	20 mm · 3-ply · 30 mm · 3-ply · 40 mm · 5-ply
KEY FEATURES	Solid vertical bamboo · Cross-laminated plies · Sanded, no bevel · FSC certified	SIZE	2440 × 1220 mm
FINISHES	Natural · pale straw	APPLICATIONS	• Worktops • Joinery and furniture • Wall linings • Interior fit-out

Other dimensions and special formats on request.

Caramel Vertical Bamboo Panel

3- or 5-ply · Caramel tone

The same vertical panel as the natural version, heat-treated: the heat caramelises the bamboo and gives it a deep honey tone right through its thickness.

MATERIAL	Solid vertical bamboo	AVAILABLE SIZES	
		THICKNESSES	20 mm · 3-ply · 25 mm · 3-ply · 30 mm · 3-ply · 40 mm · 5-ply
KEY FEATURES	Solid vertical bamboo · Cross-laminated plies · Sanded, no bevel · FSC certified	SIZES	2440 × 1220 · 2400 × 650 mm The 2400 × 650 size comes in 25 mm
FINISHES	Caramel · heat-treated	APPLICATIONS	• Worktops • High-end furniture • Wall linings • Counters and fit-out

Other dimensions and special formats on request.

Paulownia Shelving Boards

AB grade · Full-length, no finger-joint

Solid paulownia shelving boards, full-length with no finger-joint: an even surface, and one of the lightest woods there is, very easy to handle and install.

MATERIAL	Solid paulownia	AVAILABLE SIZES	
KEY FEATURES	AB grade · Full-length, no finger-joint · Sanded · Natural colour · Very light, about 300 kg/m³	WIDTHS	300 · 400 · 500 · 600 mm
		THICKNESSES	18 · 20 mm
		LENGTH	2000 mm
		APPLICATIONS	
		• Shelves and racking • Interior furniture • Linings • Retail fit-out	

Other dimensions and special formats on request.

Rubberwood Flooring

AB grade · 2 or 4 strips

A light, calm floor in solid rubberwood, in 2 or 4 strips and three finishes. Whitewash, bleached and matt, brings a bright Scandinavian touch.

MATERIAL	Solid rubberwood	AVAILABLE SIZES
KEY FEATURES	AB grade · Solid rubberwood · Tongue & groove, 4 sides · Micro-bevel · UV lacquered	SIZES1200 × 130 × 15 · 2 strips · 1250 × 160 × 15 · 4 strips mmOther lengths up to 1850 mm, widths from 130 to 160 mm

Other dimensions and special formats on request.

Bamboo Flooring

Solid horizontal · Click installation

A solid bamboo floor with horizontal grain, in floating click installation, no glue. Warm, hard-wearing and quick to install.

MATERIAL	Solid horizontal bamboo	AVAILABLE SIZES
KEY FEATURES	Solid bamboo · Horizontal grain · Floating click installation, no glue · FSC certified	SIZES1800 × 160 × 15 · wide plank · 1020 × 130 × 15 mm
FINISHES	Natural · Caramel	APPLICATIONS - Living spaces - Open-plan areas - Retail - Renovation

Other dimensions and special formats on request.

OUTDOOR

Bamboo Decking

Strand woven · Light or Dark

A strand woven bamboo decking board, denser and harder than classic tropical hardwoods, in two tones and several profiles. A durable alternative to tropical timber and composite.

MATERIAL	Strand woven bamboo	AVAILABLE SIZES	
KEY FEATURES	Strand woven bamboo · WOCA pre-oiled · R10 anti-slip · Fire rating Bfl-s1, d0 · FSC certified · SGS tested	SIZES	1860 × 139 × 20 · reversible · 1860 × 139 × 18 · reversible · 1860 × 118 × 21 · cambered, GRAD fixing mm Lengths up to 2500 mm on request
FINISHES	Light · golden brown · Dark · chocolate brown	SURFACE PROFILES	Flat · Small Groove · Small Wave · Big Wave
OPTIONS	Hidden stainless steel clips, brown or grey · Bamboo joists	APPLICATIONS	- Residential decks - Pool surrounds - Restaurant terraces - Balconies and boardwalks

Other dimensions and special formats on request.

OUTDOOR

Bamboo Decking Joist

Strand woven · Deck substructure

The joist matched to the bamboo decking: the same strand woven material, for a substructure as durable as the boards it carries.

MATERIAL	Strand woven bamboo	AVAILABLE SIZES
		LENGTH2100 mm
		SECTION40 × 40 mm
KEY FEATURES	Strand woven bamboo · Dark carbonised · Moisture and insect resistant · FSC certified	APPLICATIONS - Deck substructure - Pool surrounds - Balconies - Boardwalks

Other dimensions and special formats on request.

OUTDOOR

Bamboo Cladding

Strand woven · Light or Dark

The facade board of the strand woven range: narrower and thinner than the decking, for a tight vertical or horizontal rhythm.

MATERIAL	Strand woven bamboo
KEY FEATURES	Strand woven bamboo · Facade board
FINISHES	Light · Dark

AVAILABLE SIZES	
SIZE	1860 × 103 × 12 mm

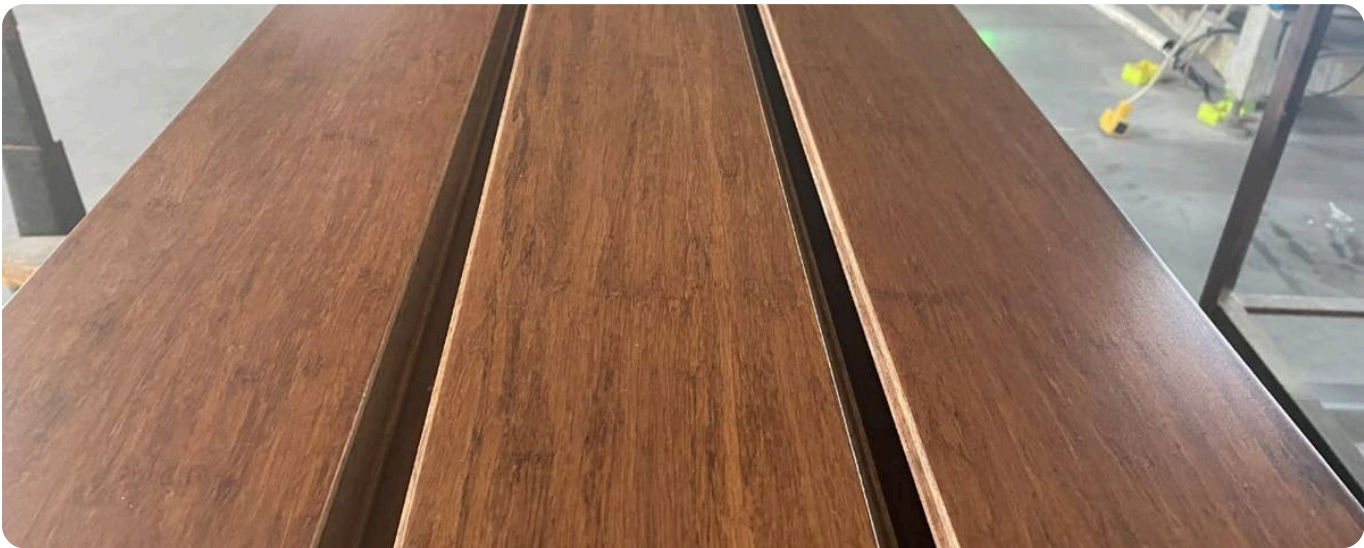

- APPLICATIONS
- Facade cladding
 - Exterior lining
 - Screens and privacy fences
 - Roof soffits

Other dimensions and special formats on request.

OUTDOOR

Bamboo Horse Stall Board

		APPLICATIONS	
		• Renovation • Housing • Hospitality • Offices	

Other dimensions and special formats on request.

Overlap Skirting Board

Gesso + satin finish · Ready to install

A wide, thick skirting board designed to cover old skirting or bridge large gaps at the foot of the wall, without removal.

MATERIAL	Gesso-primed skirting	AVAILABLE SIZES
		SECTION20 × 110 mm
		LENGTH2440 mm
KEY FEATURES	Overlap profile · Gesso + satin finish · Ready to install	APPLICATIONS • Renovation without removal • Covering old skirting • Housing • Commercial premises

Other dimensions and special formats on request.

Our services

Tailored sourcing

Our network of Asian partners lets us build solutions matched to the precise needs of your market.

- Partner mill research and audit
- Samples and approval before ordering
- Price and lead time negotiation
- Custom product development

Quality control

For every order, our team runs an on-site quality check and hands you a detailed report before shipment.

- Pre-shipment inspection inside the mill
- Detailed photo report
- Dimension and moisture checks
- Packing and marking verification

Import and DAP delivery

We handle delivery under DAP Incoterm: transport, customs formalities and haulage to your warehouse.

- One single price, delivered to your warehouse
- Ocean booking and documentation
- Customs formalities
- Shipment tracking through to delivery
